Registration For 2023

- **Junior Conferences will be held in February and March**
- **We encourage students to take challenging courses and/or courses to complete a certification during their junior and senior years, where eligible!**

Course Selection and Request for Changes

(Page 5 of CFISD Course Description Book)

All requests for changes must be submitted in writing by the last day of the spring semester. The following guidelines will be used in honoring changes/requests made after that date.

1. Changes will be made during the first two weeks (first 10 days) of a semester for the following reasons. the student
 - does not meet prerequisite(s) for the course;
 - does not meet grade placement requirement of the course;
 - already has credit in the course;
 - is placed in an inappropriate level; or
 - has not met requirement for K-level, AP or HORIZONS placement.

2. After consultation with the teacher, students may withdraw from band, dance, jrotc, or athletics at any time, but in each case, they will be assigned to a regular physical education (PE) class.
3. No course changes are allowed after the second week (first 10 days) of each semester.

Note: schedule changes after the second week of either semester will be according to district policy (i.e. they are primarily ap to k-level or k-to l-level changes). no other course changes are allowed; course changes may raise eligibility issues.
