PACE
Health
LOTE/
Foreign Language

Other Required Courses for Graduation

PACE

Personal, Academic, and Career Exploration

- Taken by *all* 9th graders
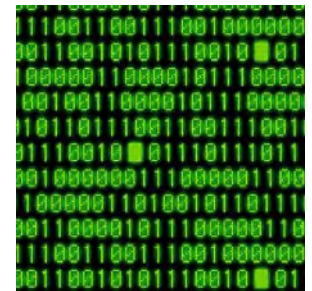

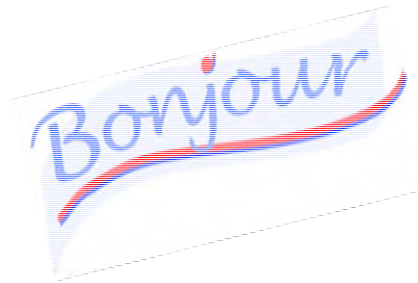

- .5 credit (one semester)

Health

- .5 credit required

- Can be paired with PACE

- *Principles of Health Science* (1.0) will *also* satisfy the Health requirement

LOTE/Foreign Language

- 2 credits of the same foreign language
  - Spanish
  - French
  - German
  - Latin
  - American Sign Language *(Cy-Ridge & Langham Creek only)*
  - Computer Science I K & Computer Science II AP A

Other Required Courses for Graduation

STEP 6: Select PACE, Health, & LOTE/Foreign Language courses for High School 4-Year Plan

➢ **PACE (.5 credit)** – **P**ersonal, **A**cademic, & **C**areer **E**xploration – builds skills to assist in the transition to high school as well as future transitions to career, college, adulthood, and independence.
   - **Required in 9th grade**
   - **Not available to take in Summer School**

➢ **Health** – Health or Principles of Health Science in 10th or 11th grade *(choose one)*
   __X__ Health – (.5 credit)
     (Can be paired with PACE)
       OR
   _____Principles of Health Science in 10th or 11th grade
   (Recommended for those choosing the Public Services/Health Science endorsement option)

➢ **LOTE/Foreign Language** – **2 credits of the same language are required** *(choose one)*
   (This includes any Foreign Language credits earned in middle school)
   _____X_ Spanish
   _____French
   _____German
   _____Latin
   _____American Sign Language (Cy-Ridge & Langham Creek only)
   _____Computer Science I K & Computer Science II AP A

This is just an example…everyone's plan will look different based on their personal choices.

Be sure to list any credits you earned in middle school in the column on the left.

Example – STEM, Option 2 – Engineering

Periods	High School Credits Earned in Middle School	9th Grade	10th Grade	11th Grade	12th Grade
1		English I	English II	English III	English IV
2	Algebra I	Math: Geometry K	Math: Algebra II K	Math: Precalculus K	Math: Calculus AB AP
3		Biology K	Science: Chemistry K	Science: AP Physics I	Science: Eng. Design & Problem Solving K
4		PACE (.5) / Health (.5)		US History	Government (.5) & Economics (.5)
5					
6	Required: I & II Spanish I	Spanish II	Spanish III K		
7	Concepts of Engineering	World Geography			

Extra year counts as elective

This example represents a student that will earn the required Health credit by taking Principles of Health Science in 10th grade.

Example – Public Services, Option 1 – Health Science

Periods	High School Credits Earned in Middle School	9th Grade	10th Grade	11th Grade	12th Grade
1		English I K	English II K	English III AP	English IV AP
2	Algebra I	Math: Geometry K	Math: Algebra II K	Math: Precalculus K	Math: Calculus AB AP
3		Biology K	Science: Chemistry K	Science: AP Physics I	Science: Anatomy & Physiology K
4		PACE (.5) / Teen Leadership (.5)	Principles of Health Science (1.0)	US History	Government (.5)/ Economics (.5)
5		French I	French II		
6	BIM				
7	Prof Comm/ Keyboarding	World Geography			

Alternate .5 Elective

Health Credit

Enter Health Requirement in 4-Year Plan

○ ## Add Health in the blank with PACE

(If you write Principles of Health Science in 10th or 11th grade, add a .5 credit elective from the choices below with PACE)

pg. 39

Course Title	9	10	11	12	Description
Professional Communications (.5 credit)	*	*	*	*	Develop effective interpersonal communication skills
Touch System Data Entry (Keyboarding) (.5 credit)	*	*	*	*	Improve speed and accuracy on the keyboard
Teen Leadership (.5 credit)	*	*	*	*	Activity-oriented course that emphasizes leadership, personal/professional responsibility, and business skills
Photojournalism (.5 credit)	*	*	*	*	Introduces the world of photography and journalism; must have your own digital camera

Enter LOTE/Foreign Language Requirement in 4-Year Plan

○ **Add LOTE/Foreign Language**

(this includes any credits earned in Middle School)
<u>and</u> any additional years desired

- Spanish I, II, III (on-level or K), IV (K, AP), V (K, AP), VI (K)
- Spanish I (NS), II/III-K (NS), IV-AP (NS)
- French I, II, III-K, IV (K, AP), V (K), VI (K)
- German I, II, III-K, IV (K, AP), V (K), VI (K)
- Latin I, II, III-K, IV (K, AP), V (K)
- American Sign Language I, II, III K
- Computer Science I K, Computer Science II AP A

Check your work!

Make sure you have:

- 4 credits of English (and the level)

- 4 credits of Math (and the level)

- 4 credits of Science (and the level)

- At least 3 credits of Social Studies (and the level)

- .5 credit of PACE

- .5 credit of Health

  (or a .5 credit elective with PACE instead of Health if taking Principles of Health Science in 10th or 11th grade)

- At least 2 credits of LOTE/Foreign Language (including the credits earned in middle school)
