Parent/Guardian Consent for Administering Medication

revised 6/16

Student name: _________________________________ Grade: ______ Homeroom: ______________ Student ID: ______________ Allergies: ______________

In compliance with CFSID Board policy FFAC (local), all medications administered by CFISD staff must be:

- **delivered to the clinic by a parent/guardian or his/her designee (responsible adult),**
- **supplied in the original container (prescription bottle with prescription label or manufacturer's packaging and will only be administered in accordance with prescriber or manufacturer's guidelines),**
- **prescribed by a medical professional licensed with prescriptive authority in the state of Texas (unless US FDA approved medication available for purchase without a prescription),**
- **US FDA approved for safety and efficacy (school nurse must verify using reputable, peer-reviewed, evidence-based medical literature and may decline administration if she/he finds the dose to exceed current best practice or the medication is otherwise potentially harmful to the recipient),**
- **and retrieved from the clinic by a parent/guardian or his/her designee (responsible adult) by the last calendar day of the current school year or the medication will be destroyed in accordance with District expectations.**

I request Cypress Fairbanks ISD personnel to administer the medication(s) listed below for the 20_____- 20_____ school year:
