

## Bridgeland High School Retest/Redo Guidelines

- Students have one opportunity each grading period in each course to retake a **Summative Assessment** for which they earned a failing grade (below 70).
  - The highest grade a student can earn on a test retake will be a 70. A student may not earn a grade lower than the original grade.
  - Prior to retesting, the teacher may require an intervening action (tutorial attendance, study group, test correction, etc.).
- Students have one opportunity each grading period in each course to retake or redo a **Relevant Application** for which they earned a failing grade (below 70).
  - The highest grade a student can earn on a redone relevant assessment will be a 70. A student may not earn a grade lower than the original grade.
- Students have the opportunity to redo at least one daily grade or class assignment (**Checking for Understanding**) for which the student received a failing grade (below 70). Determination on redo opportunities for CFU assignments will be consistent across course levels on a team (ex. K or L)
  - The highest grade a student can earn on a redone assignment will be a 70. A student may not earn a grade lower than the original grade.
  - Teachers may work with students through re-teaching opportunities in order to allow students to demonstrate mastery of the TEKS.

*\*\*\*District progress measure assessments or District Benchmarks are not included in the retest/redo opportunities.*
