Parent Acknowledgement for Student to Receive CFISD Device 2021-2022

Login Id:

Student Name:

English

All CFISD devices are automatically protected by an insurance plan that will cover any accidental damage, theft, or loss that might occur as long as there was no malicious intent. I understand that I may be liable for any cost incurred by the district to repair or replace the Chromebook and/or peripheral items as provided if the intent was malicious or the items were not returned at the appropriate time.

As a condition of receiving the equipment referenced above ("Equipment"), I agree as follows:

- The Equipment is CFISD property, and CFISD is issuing the Equipment to my student/child for educational purposes. CFISD may suspend/terminate the use for my student/child of the Equipment at any time, at its sole discretion.
- My student/child agrees to abide by the CFISD Responsible Use Policy at all times. We understand that violations may result in disciplinary action.
- My student/child understands and agrees that, if any Equipment is damaged, lost, or stolen we will report it accordingly to the CFISD Help Desk in a timely fashion.
- My student/child acknowledges that CFISD has issued this device for us to use temporarily until the last day of school 2022 or until further notice.
- My student/child understands that if we are no longer enrolled in CFISD, we must return the Equipment to our campus principal. If we fail to return the Equipment at the end of the school year, or when we withdraw or graduate from CFISD, whichever is first, it may be reported stolen if not returned within 10 calendar days after our last day of enrollment in CFISD.
- My student/child understands that use of CFISD technology resources, including electronic mail transmissions and other use of the electronic communications systems, such as the Internet, is not private and may be monitored at any time by the District staff to ensure appropriate use, as defined by the Responsible Use Guidelines.
- My student/child's CFISD G Suite for Education (GSFE) account is monitored and filtered.
