

Happy Valentine's Day!

ATTENTION!

Safety Audit 3/6

The district will be conducting a safety audit on our campus.

Every student MUST have an ID badge!

Elementary students received 2 photo ID badges at the beginning of the school year at no cost.

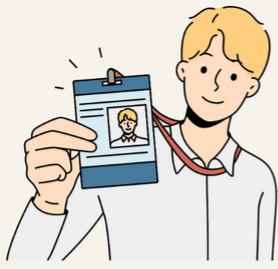

- One of the badges will be attached to the student's backpack and is required to be utilized for transportation services. If your student does not ride the bus, they will still need a badge on their backpack, as they will be scanned for breakfast in the cafeteria every morning as well as scanned for tardy arrivals.
- The second ID will remain at the campus. Students must have the ID badge in their possession each day and follow campus procedures related to wearing the ID badge.

If a student loses the ID, a replacement must be promptly purchased from the designated school office/location. Students unable to pay immediately will have the replacement cost(s) placed on the fees and fines list for later payment.

Replacement costs are as follows:

- Plastic ID: \$3.00
- Lanyard: \$1.00
- Plastic Sleeve: \$1.00

Pre-kindergarten and kindergarten students will be issued red plastic sleeves and must have the sleeve and badge to ride the school bus home. If the student is not identified with the red plastic sleeve and badge, they will not be allowed to ride the bus home. Pre-kindergarten and kindergarten students are to be met at the school bus at the bus stop to be released. Additionally, if no one is available to meet the pre-kindergarten or kindergarten student at the bus, the student will be returned to the campus.

¡ATENCIÓN!

Auditoría de seguridad 3/6

El distrito llevará a cabo una auditoría de seguridad en nuestro plantel.

¡Cada estudiante DEBE tener una tarjeta de identificación!

A principios del año escolar los estudiantes recibieron (2) tarjetas de identificación con su fotografía, sin costo alguno para los padres.

- Una de las tarjetas se colgará en la mochila del estudiante y es obligatorio su uso por el servicio de transporte.
- La segunda tarjeta permanecerá en la escuela. Los estudiantes deberán tener la tarjeta de identificación en su posesión todos los días y deberán seguir los procedimientos del plantel relacionados con la forma en que deben llevar puesta su tarjeta de identificación.

Si el estudiante pierde su tarjeta de identificación, deberá comprar de inmediato una tarjeta de reemplazo en la oficina o sitio designados en el plantel. Si el estudiante no puede pagar de inmediato, entonces el costo del reemplazo se agregará en la lista de cuotas y multas para pagar más adelante.

El costo de reemplazo es el siguiente:

- ID de plástico: \$3.00
- Cordón: \$1.00
- Funda de plástico: \$1.00

A los estudiantes de prekínder y kínder se les entregarán sus tarjetas de identificación con unas fundas rojas plásticas las cuales deben traer consigo para poder subirse al autobús escolar para irse a casa. Si el estudiante no está identificado con la funda roja plástica y su tarjeta de identificación, no podrá subirse al autobús para irse a casa. Alguien debe estar esperando por el autobús para recibir al estudiante de prekínder o kínder en la parada de autobús correspondiente. Adicionalmente, si no hay nadie esperando al estudiante de prekínder o kínder en la parada del autobús, el estudiante se regresará a la escuela en el autobús.

5th Graders! Don't miss this showcase on Tuesday 2/13!

Truitt Middle School Fine Arts Showcase

Tuesday, February 13, 2024

Incoming 6th Graders and their families are invited to attend the Fine Arts Showcase Night to learn about electives, different PE options, and other clubs/programs offered at Truitt Middle School.

Come and see what it means to be part of the Pack!

Truitt Middle School Cafeteria

Return Valentine bags by Monday 2/12! Valentine cards & treats by the 14th!

¡Devuelve las bolsas de San Valentín antes del lunes 12/2! ¡Tarjetas y obsequios de San Valentín antes del 14!

FEBRUARY FAMILY FUN VALENTINE PROJECT

Valentine's Day is right around the corner. Our students will participate in a Valentine Exchange during the last fifteen minutes of class on Wednesday, February 14, 2024. This is a student only Valentine Exchange, not a party. Valentine cards may include candy, but please no peanut products. All candy will be sent home for consumption.

With our exchange in mind, it's time to start thinking about making and decorating your child's very own mailbag. This will be a family project. We are providing the paper bag and now it's up to you decorate it however you choose. We encourage you to be creative. Some may even choose to make an animal or character. Please remember to put your child's name on the bag.

Our Valentine exchange will be an exciting time for our students. Please return your mailbag creations back to school by **Monday, February 12, 2024**. All Valentine cards and treats should be sent in **no later than Wednesday, February 14, 2024**.

We're excited to see everyone's creation! Enjoy the family fun. Happy Valentine's Day!

PROYECTO FAMILIAR PARA SAN VALENTIN

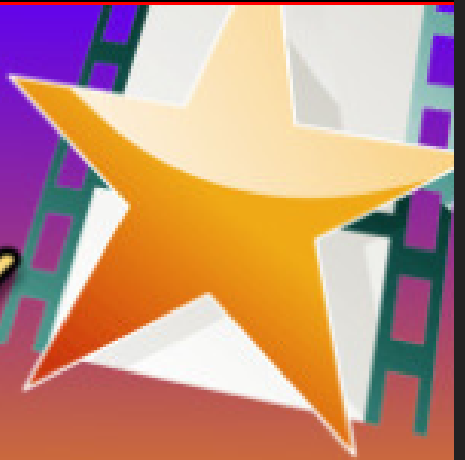

El día de San Valentín está a la vuelta de la esquina. Nuestros estudiantes participarán en un intercambio de San Valentín durante los últimos quince minutos de clase el miércoles, 14 de febrero de 2024. Este es un intercambio de San Valentín solo para estudiantes, no una fiesta. Las tarjetas de San Valentín pueden incluir dulces, pero no productos de maní. Todos los dulces serán enviados a casa para su consumo.

Con nuestro intercambio en mente, es hora de comenzar a pensar en hacer y decorar la propia bolsa de correo de su hijo. Este será un proyecto familiar. Estamos proporcionando la bolsa de papel y ahora depende de ti decorarla como quieras. Te animamos a ser creativo. Algunos incluso pueden optar por hacer un animal o un personaje. Recuerde poner el nombre de su hijo en la bolsa.

Nuestro intercambio de San Valentín será un momento emocionante para nuestros estudiantes. Devuelva sus creaciones de bolsas de correo a la escuela antes del **lunes, 12 de febrero de 2024**. Todas las tarjetas y obsequios de San Valentín deben enviarse **a más tardar el miércoles 14 de febrero de 2024**.

¡Estamos emocionados de ver la creación de todos! Disfruta de la diversión familiar. ¡Feliz día de San Valentín!

2:25 PM**

Harris County MUD Water Notice!

Read the Harris County MUD water notice. It is recommended that you bring bottled water during this time period.

Please discuss this with your child as we will also inform our students and staff.

HARRIS COUNTY MUNICIPAL UTILITY DISTRICT No. 102
WATERLINE FLUSHING NOTICE
FLUSHING OF THE DISTRICT'S WATER LINES WILL BE PERFORMED DURING:
Week of Monday, February 12 through Friday, February 16, 2024

HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 102's water and wastewater operating companies, Municipal District Services (MDS), is conducting comprehensive water line flushing programs throughout the neighborhood. MDS will begin at 8:00 A.M. on February 12th and continue throughout the day until 4 P.M. on each of the 5 work days. The flushing will continue until all the water lines have been flushed.

281-286-6000
281-286-6000

What is flushing?
Flushing is a process that quickly removes sediment from the District's water piping system, which is an important part of keeping a city's waterlines. Flushing your water pipes can usually be done by opening fire hydrants, where the "flushing" water flows out into the street.

Why are we flushing?
Sediment that has built up in the pipes over time can cause water quality issues. Flushing helps to remove this sediment and keeps the water flowing smoothly through the pipes. This also helps to prevent water from freezing in the pipes during winter months. A build-up of bacteria known as "biofilm" can also be removed through flushing.

Isn't flushing a waste of water?
No. Any small amount of the amount of water used in flushing is a small price to pay in maintaining water quality and the integrity of the piping system.

How will this affect you?
Usually, you will not be aware that flushing is occurring until you notice a change in water pressure. Flushing is generally conducted during the middle of the day. Flushing will be completed by the water pipes. It may take 10 minutes to flush each hydrant. While the hydrant is being flushed, the hydrant is not available for use. If you have no water pressure, please notify MDS at 281-286-6000. The water supply to your home is not affected. The water supply should be interrupted. If you have no water pressure, please notify MDS at 281-286-6000. The water supply to your home is not affected. The water supply should be interrupted.

What should you do if you turned on a faucet and the water coming out is discolored?
Should a sudden, serious change occur in the water supply, do not be alarmed. It is recommended that you boil the water for 10 minutes for each use. This will get the sediment clear to settle. After you have waited for the hot water to cool, you may use it. If you notice a change in the water color, it is recommended that you boil the water for 10 minutes for each use. The water supply should be interrupted. If you have no water pressure, please notify MDS at 281-286-6000. The water supply to your home is not affected. The water supply should be interrupted.

The District will not be responsible for damage to clothing, etc.

Aviso de agua de Harris County MUD!

Lea el aviso de agua de Harris County MUD. Se recomienda que traiga agua embotellada durante este periodo de tiempo.

Por favor hable de esto con su hijo/a ya que también informaremos a nuestros estudiantes y personal.

Febrero es El Mes de la Historia Afroamericana

Too many items in the lost and found!

Please check the lost and found when you visit your child during their scheduled lunchtime.

Hay muchos artículos perdidos!

Por favor, revise la canasta de objetos perdidos cuando visite a su hijo durante su hora de comida.
