

**Title:** ABC Humane Wildlife Control & Prevention, Inc. Academic Scholarship

**Deadline:** July 1, 2024

**Award Amount:** \$1,000

### **Program Description/History:**

As a woman-owned corporation operating in a largely male field, we understand the remarkable impact women can have. We want to pave the way for other women pursuing their dreams in the scientific world, which is why ABC Wildlife is introducing a scholarship designed to increase the number of women studying and influencing the future of science, including technology, engineering and math.

**Website/Application:** <https://abcwildlife.com/abc-humane-wildlife-control-prevention-inc-s-academic-scholarship>

### **Essay Prompt:**

Why are you passionate about science, technology, engineering, or math, and how will your pursuit of these fields help preserve biodiversity, improve the health of our planet, or alleviate human suffering?

### **Eligibility:**

- To apply for the scholarship, applicant must be a student currently enrolled at a college or university recognized by the U.S. Department of Education in the United States.
- Applicants must be studying or planning to study the fields of science (excluding social sciences i.e. economics), engineering, mathematics, or technology. If the applicant or the applicant's parent/legal guardian is employed by ABC Wildlife, Inc. at the time of award, the student is not eligible for the scholarship. Eligibility of finalists will be verified before winners are selected.
