

Title: **Healthy Communities Scholarship**

Deadline: **May 31, 2024**

Award Amount: **\$1,000**

This \$1,000 scholarship will be awarded to a student who encourages sustainable and local health initiatives in their community. We are looking for students to write a 500-word statement on how they are working to better their homes. One student will be selected for this award.

Website/Application: <https://virginialawfirm.net/2023-healthy-communities-scholarship/>

Eligibility/Requirements:

- To qualify for the Healthy Communities Scholarship, an applicant must currently be enrolled in a course of study at any accredited community or junior college or an undergraduate or graduate degree program anywhere in the United States. High school graduates or GED holders who are about to start college-level studies are also eligible.
- Candidates must be in good academic standing and have a minimum cumulative GPA of 3.0 or above.
- Eligible candidates must also demonstrate their strong commitment to helping others and describe personal examples of a time they have encouraged sustainable and local health initiatives in their community.
