

**Title:** Texas Students in STEM

**Deadline:** June 1, 2024

**Award Amount:** \$500

The Texas Students in STEM Scholarship aims to support up-and-coming STEM majors, giving them the tools they need to be successful in their chosen field. This assistance is specifically geared toward first-generation college students as a way to give them a boost to college and allow them to pursue their careers with less financial stress.

**Website/Application:** <https://bold.org/scholarships/texas-students-in-stem-scholarship/>

**Eligibility/Requirements:**

High school seniors in Texas are eligible to apply if they are first-generation college students and plan to pursue a career in a STEM field. To apply, write about your journey as a first-generation college student and how earning this degree aligns with your goals for the future.

**ESSAY TOPIC**

Describe your journey as a first-generation college student and how pursuing a STEM degree aligns with your personal and professional aspirations. 400–600 words
