

Title: Lone Star College Scholarships

Deadline: Fall 2024 Application Deadline – June 1, 2024
Spring 2025 Application Deadline – November 1, 2024

Award Amount: Varies

Each year the Lone Star College Foundation announces a variety of endowment and special scholarships made possible by the generous support of many individuals, families, estates, businesses, corporations, and/or foundations.

Website/Application: <https://www.lonestar.edu/scholarships.htm>

NOTE: Some scholarships may require a FAFSA to be completed before eligibility can be determined. Also, a scholarship will not be awarded to the student if, when combined with all other resources (Pell, other outside scholarships, loans, WIA, TRC, etc.), would exceed the student's unmet need.

All incoming and current Lone Star College students are encouraged to complete LSC's Scholarship Application before **June 1, 2024**. With one form, students can apply for all eligible LSC Foundation scholarships. Once the application is complete, students are also given suggestions for outside scholarships where they may meet eligibility criteria.

In five simple steps, students have access to hundreds of internal and external scholarship opportunities:

1. Use LSC Student login
2. View scholarship dashboard
3. Answer questions to be matched to scholarships
4. View scholarship opportunities
5. Apply for scholarships
