

CFISD English Language Arts and Reading

Grade 8

Scope & Sequence 2022-2023

Course Description:

The goal of the middle school language arts curriculum is to develop, strengthen, and broaden a student's understanding and use of language in its many forms – reading, writing, viewing, speaking, and listening. These forms of language are not considered separately but are fused to produce an integrated program. The curriculum and the instructional strategies are designed to assist students in becoming increasingly more effective and appreciative receivers and users of language.

Students are provided direct instruction, modeling, practice, and application of the purposes and forms of writing for a variety of audiences. As students read and respond to various genres such as short stories, novels, poetry, drama, and also nonfiction selections, they grow in their appreciation and understanding of literature and of themselves.
