

## French 2

### Scope and Sequence 2023-2024

#### Course Description:

Level II provides opportunities to further develop students' novice-level proficiency in listening, speaking, reading, and writing for communicative competence. Emphasis is placed on expanding vocabulary from memorized words and phrases to sentence level discourse. Students will also continue to gain insight into the culture perspectives, products, and practices of the countries where the language is spoken. By the end of the course, students are expected to reach a Novice High-Intermediate Low proficiency level. Classes are conducted in the language as much as possible.
