IDENTIFY

Students will be able to identify actions and responsibilities that students are held accountable for within the school, at home, and in the community.

APPLY

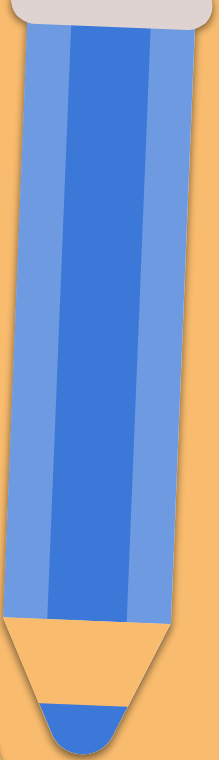

Students will apply examples of accountability in the classroom,

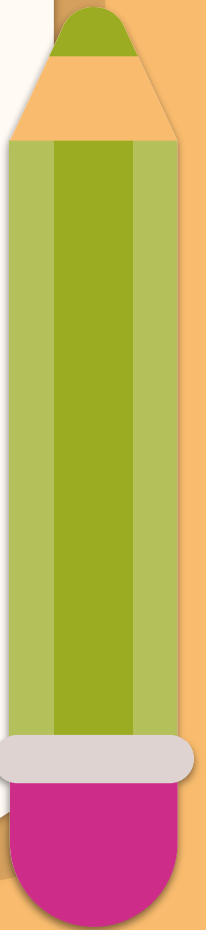

the cafeteria, the bathroom, and the hallway.

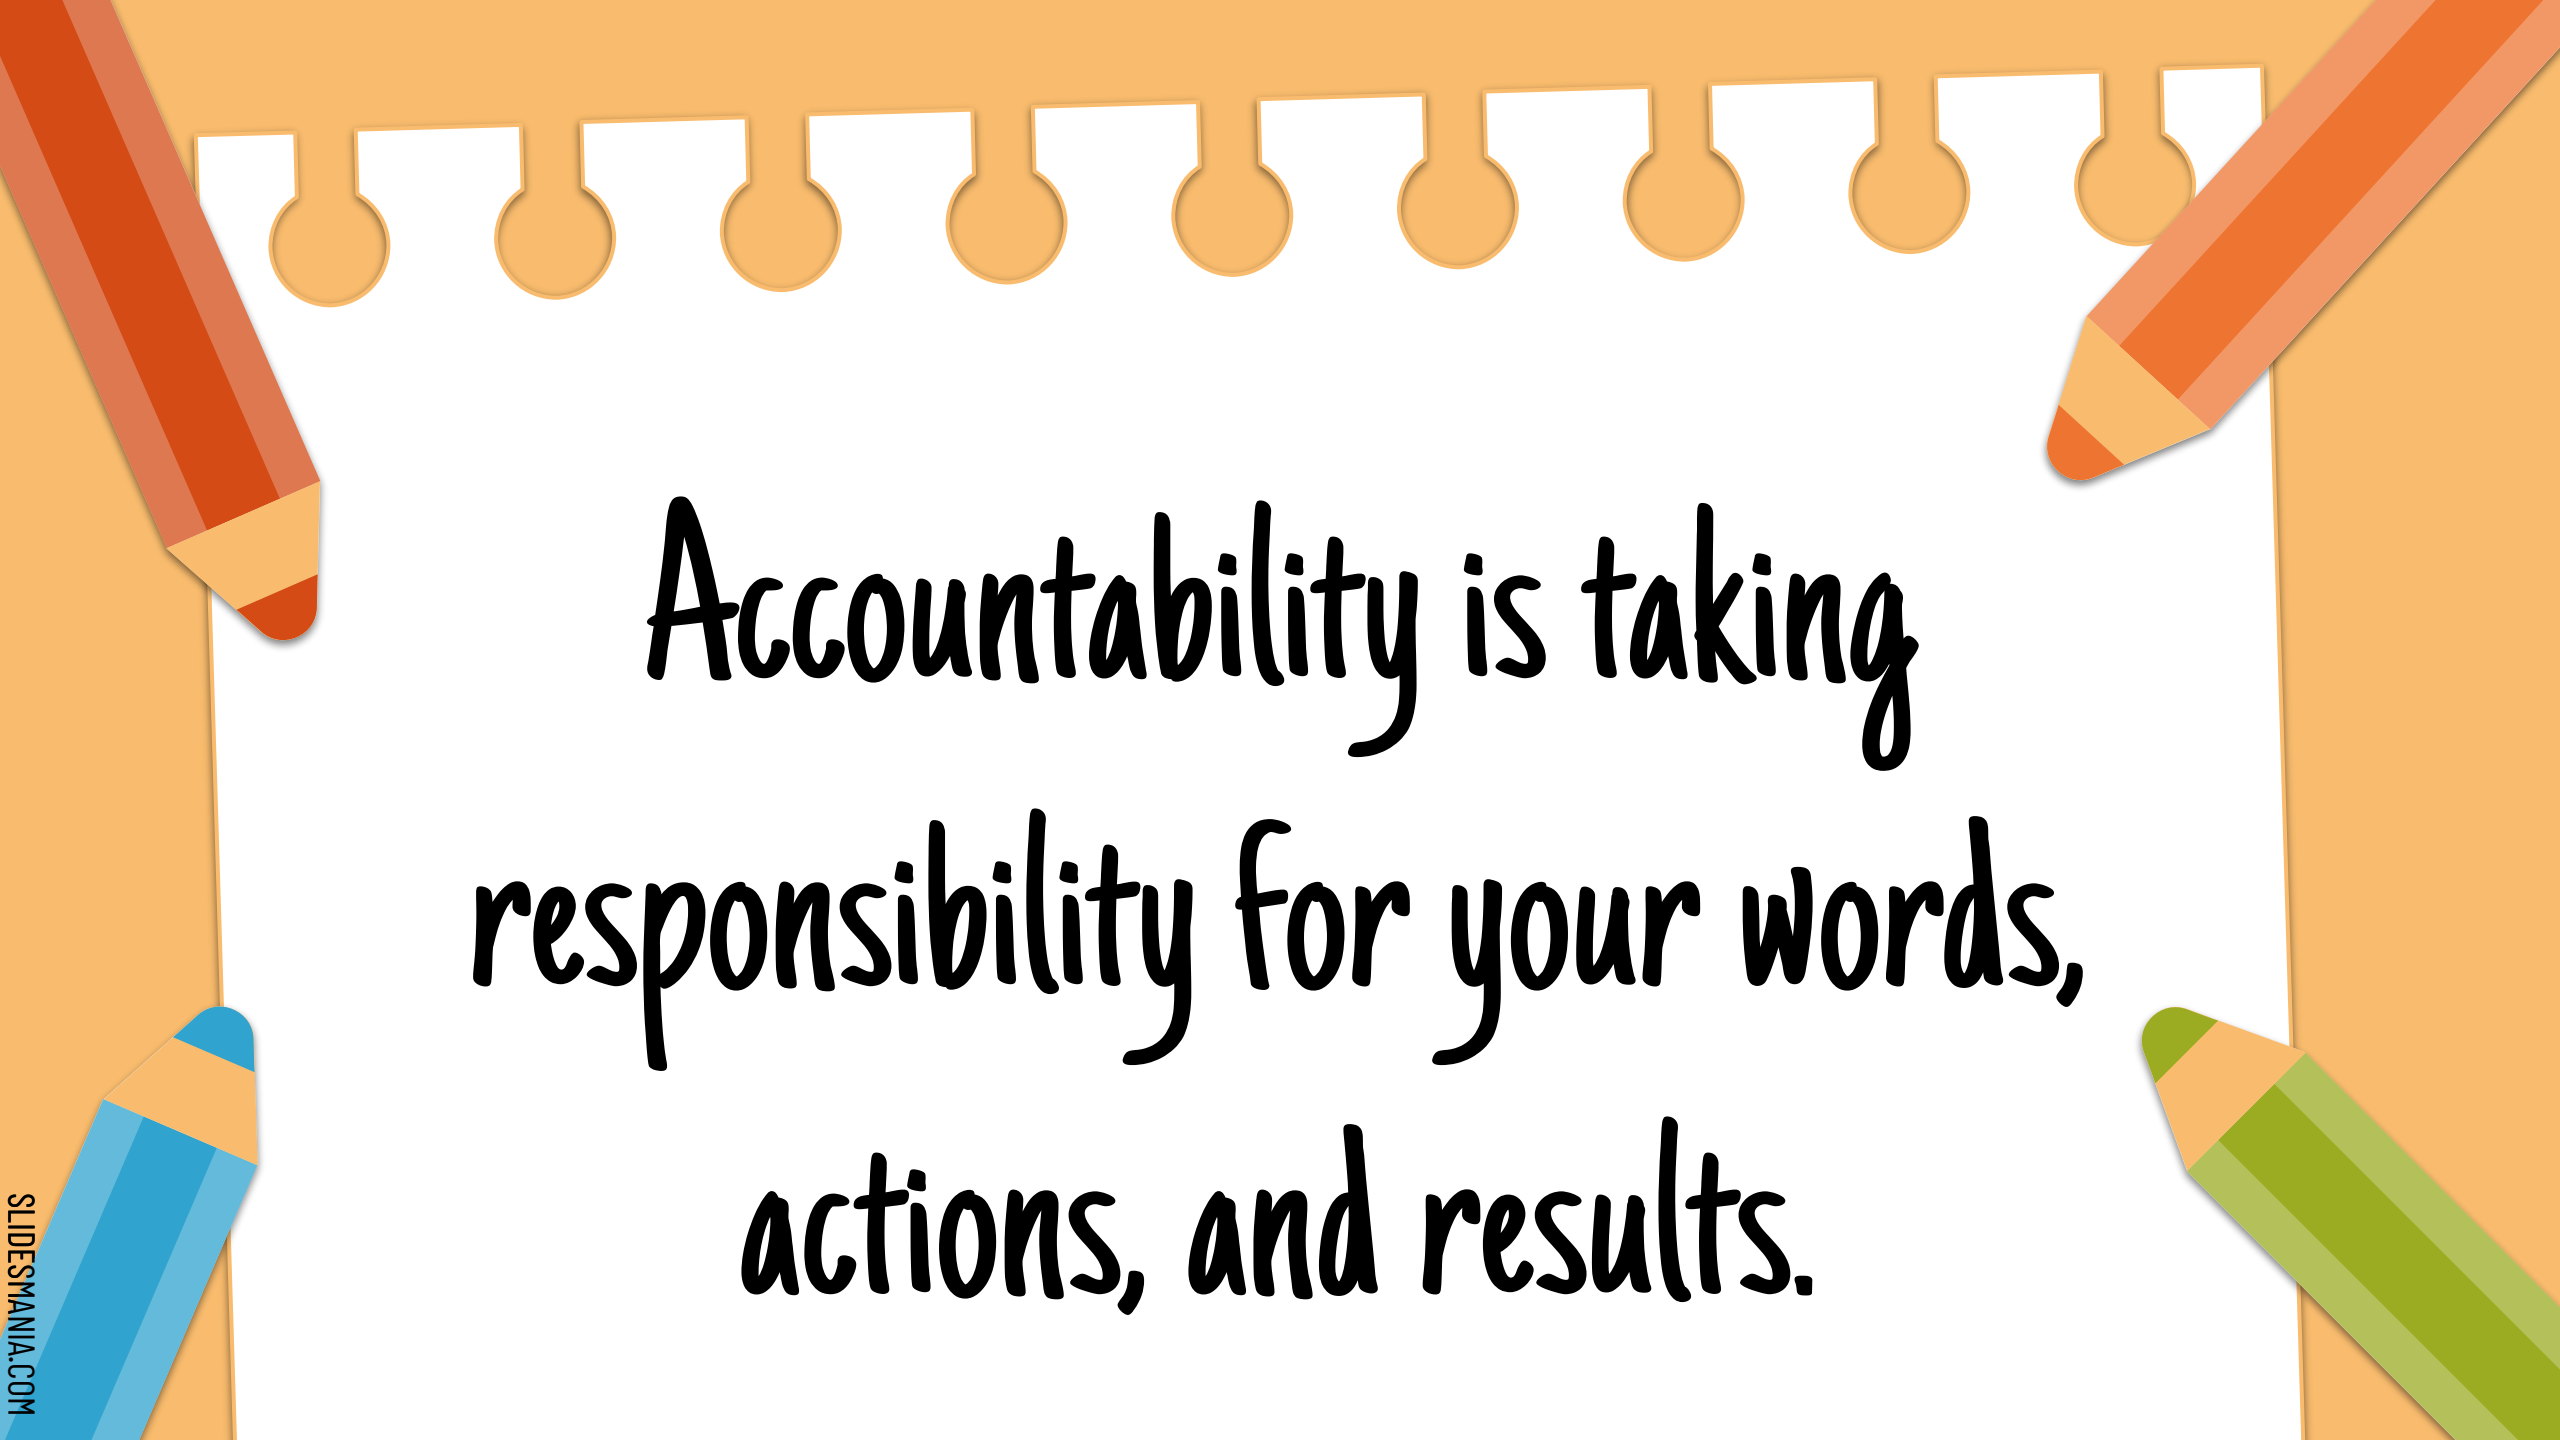

Name one thing you're asked to do at home.

Name one thing you're asked to do at school.

Name one thing you're asked to do in your community.

Accountability is taking
responsibility for your words,
actions, and results.
