

Graduation and Spring Finals are swiftly approaching. All required fees assessed through May 10th must be paid in School Cash prior to receiving an exemption card. Verification of payment will be checked during exemption card handouts, which will begin for Seniors on Friday May 17th.

Fees not paid prior to exemption card handout, along with any fees assessed after May 10th must be paid by Senior Breakfast on May 30, 2024.

A School Cash statement will be provided by May 8th, which will document any fees owed at that time, but please keep in mind that fees will continue to be assessed.

Provided grade, behavior and attendance requirements are met, 12th grade students may qualify for exemptions from 7 Spring Finals.

If you do not already have a School Cash account, or if you are having difficulty accessing an existing School Cash account, please click on the following link for more information:
